#### I. General Information

An opportunity is offered this summer to visit many of the wonderful places of interest in western United States in connection with attendance at the conference of the American Library Association at Berkeley, California, June 3d to 9th. Railroad rates are lower than usual on account of the Panama-Pacific International Exposition at San Francisco and the Panama-California Exposition at San Diego. Tickets are now on sale and are good going by any of the routes and returning by the same or different routes within three months of purchase date. Liberal stop-overs are allowed both going and coming. The rates for the round trip

to San Francisco include, if decision is made when purchasing ticket, the trip to San Diego without extra charge. If the return is desired via the Northwest, tickets will cost \$17.50 more. In choosing routes over the Continental Divide to the Pacific Coast all whose hearts are liable to be affected by altitude should consult their physicians and choose a route, if necessary, which will avoid the high passes of the Rocky Mountains. A special, all-inclusive cost, personally conducted party trip with special train is provided and recommended as the best method of travel in this exposition year. (See details below.)

Among the more famous scenic regions from which travelers may choose are:

**THE GRAND CANYON OF ARIZONA**, on the Santa Fe railroad (expense \$7.50 extra). Altitude at Canyon brink 7,000 feet, the highest point reached over this route.

**THE YELLOWSTONE PARK** (opens June 15), which offers a five days' coaching trip at a cost of \$53.50 extra, including every expense for coach, hotels and meals, or a six days' camping trip (Wyllie
